

TERRY'S BIG GLIDE

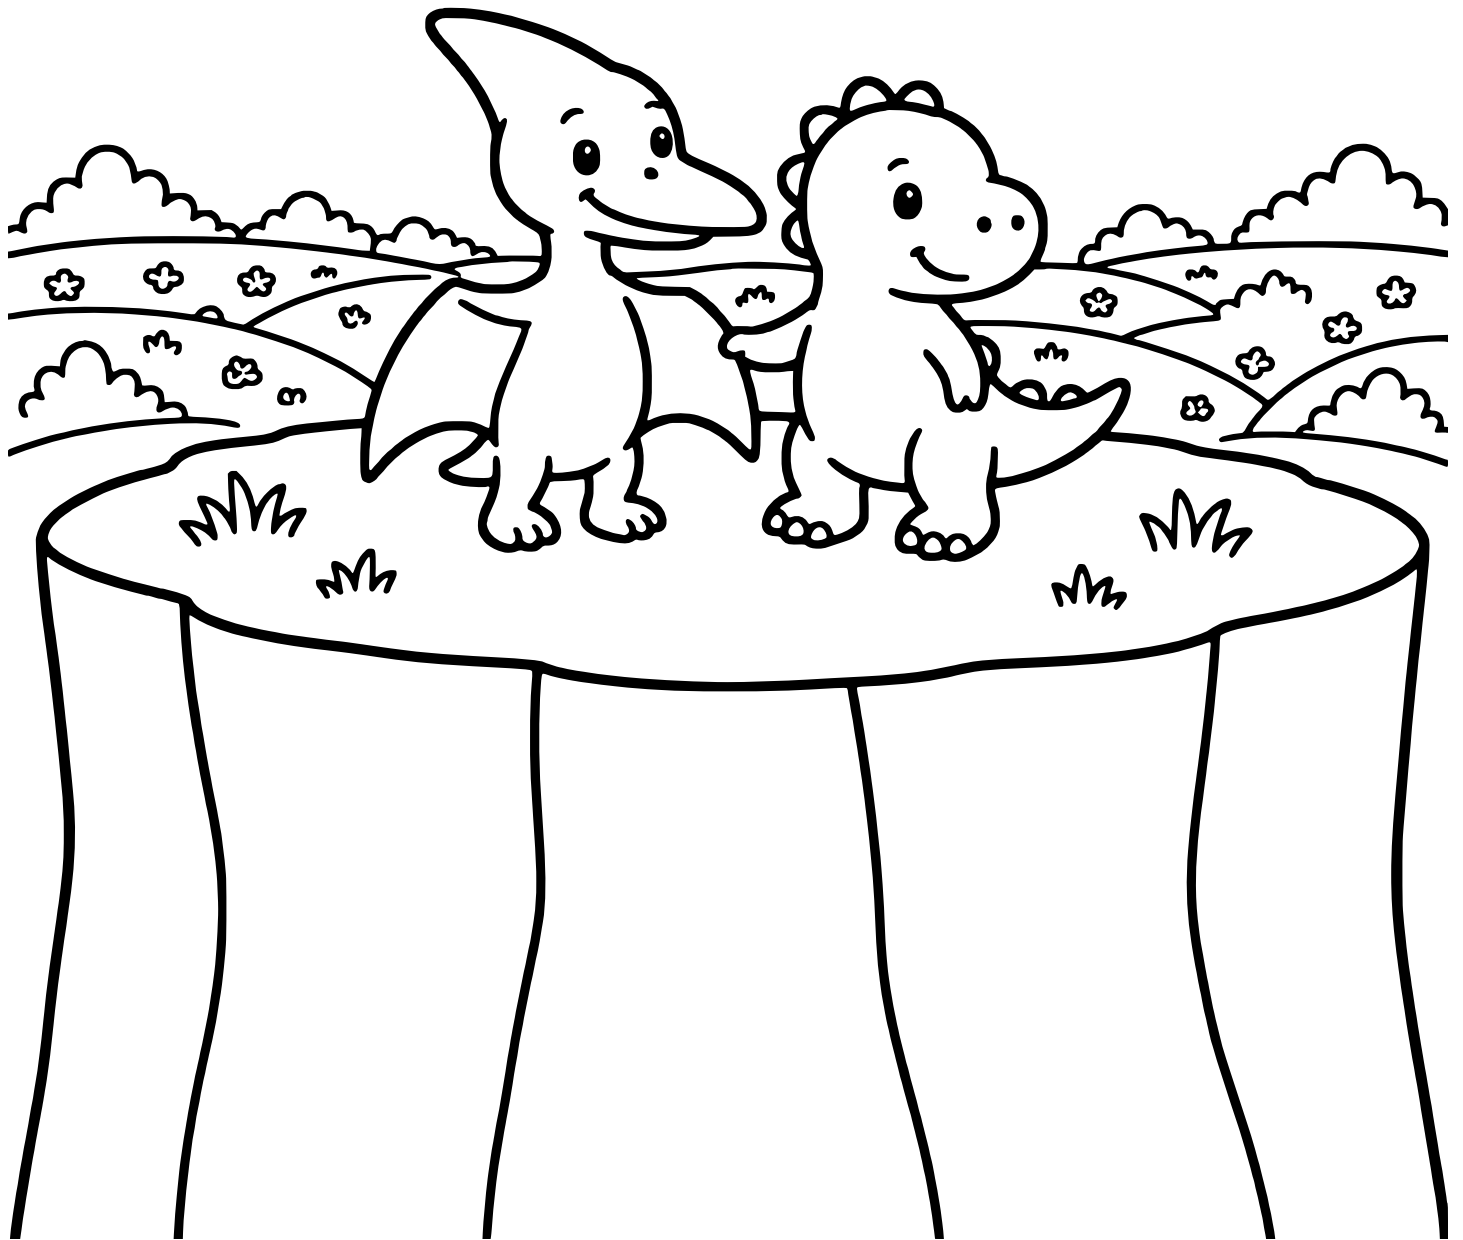

Terry glides low over the grass. He could do this all day!

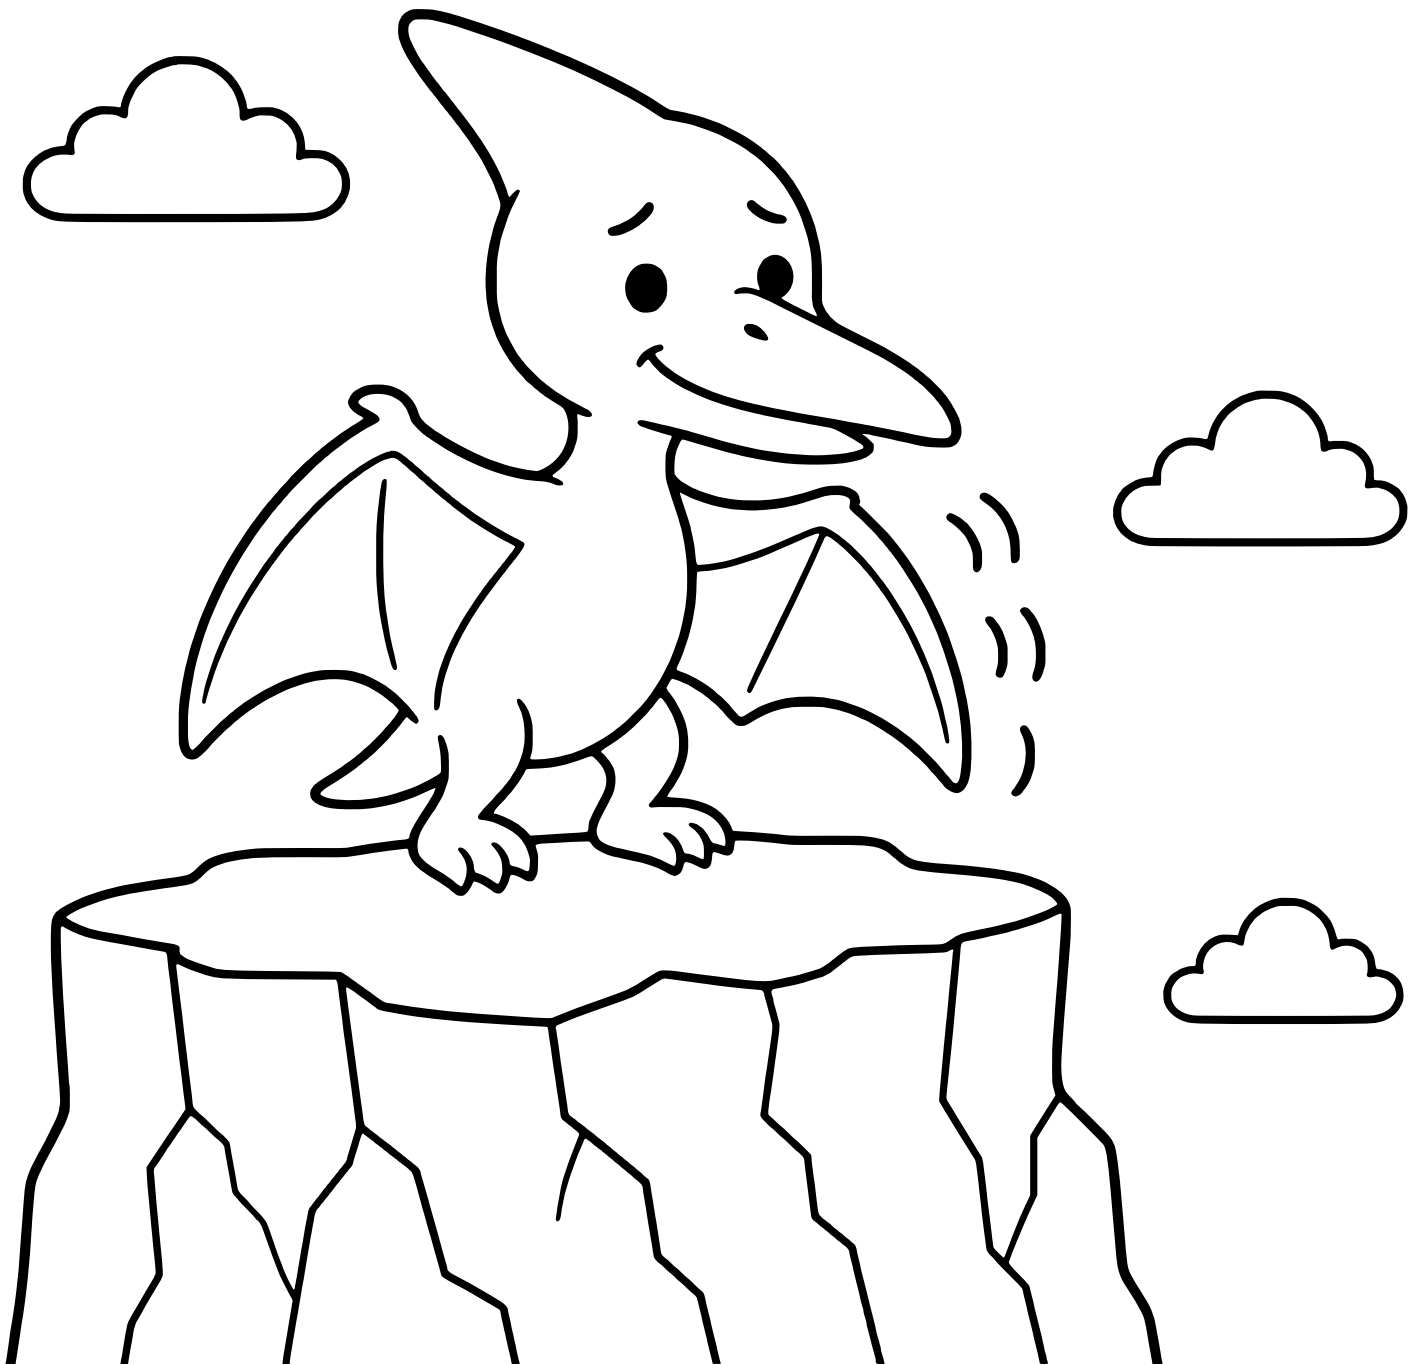

Pebble claps and cheers as Terry lands in front of her.

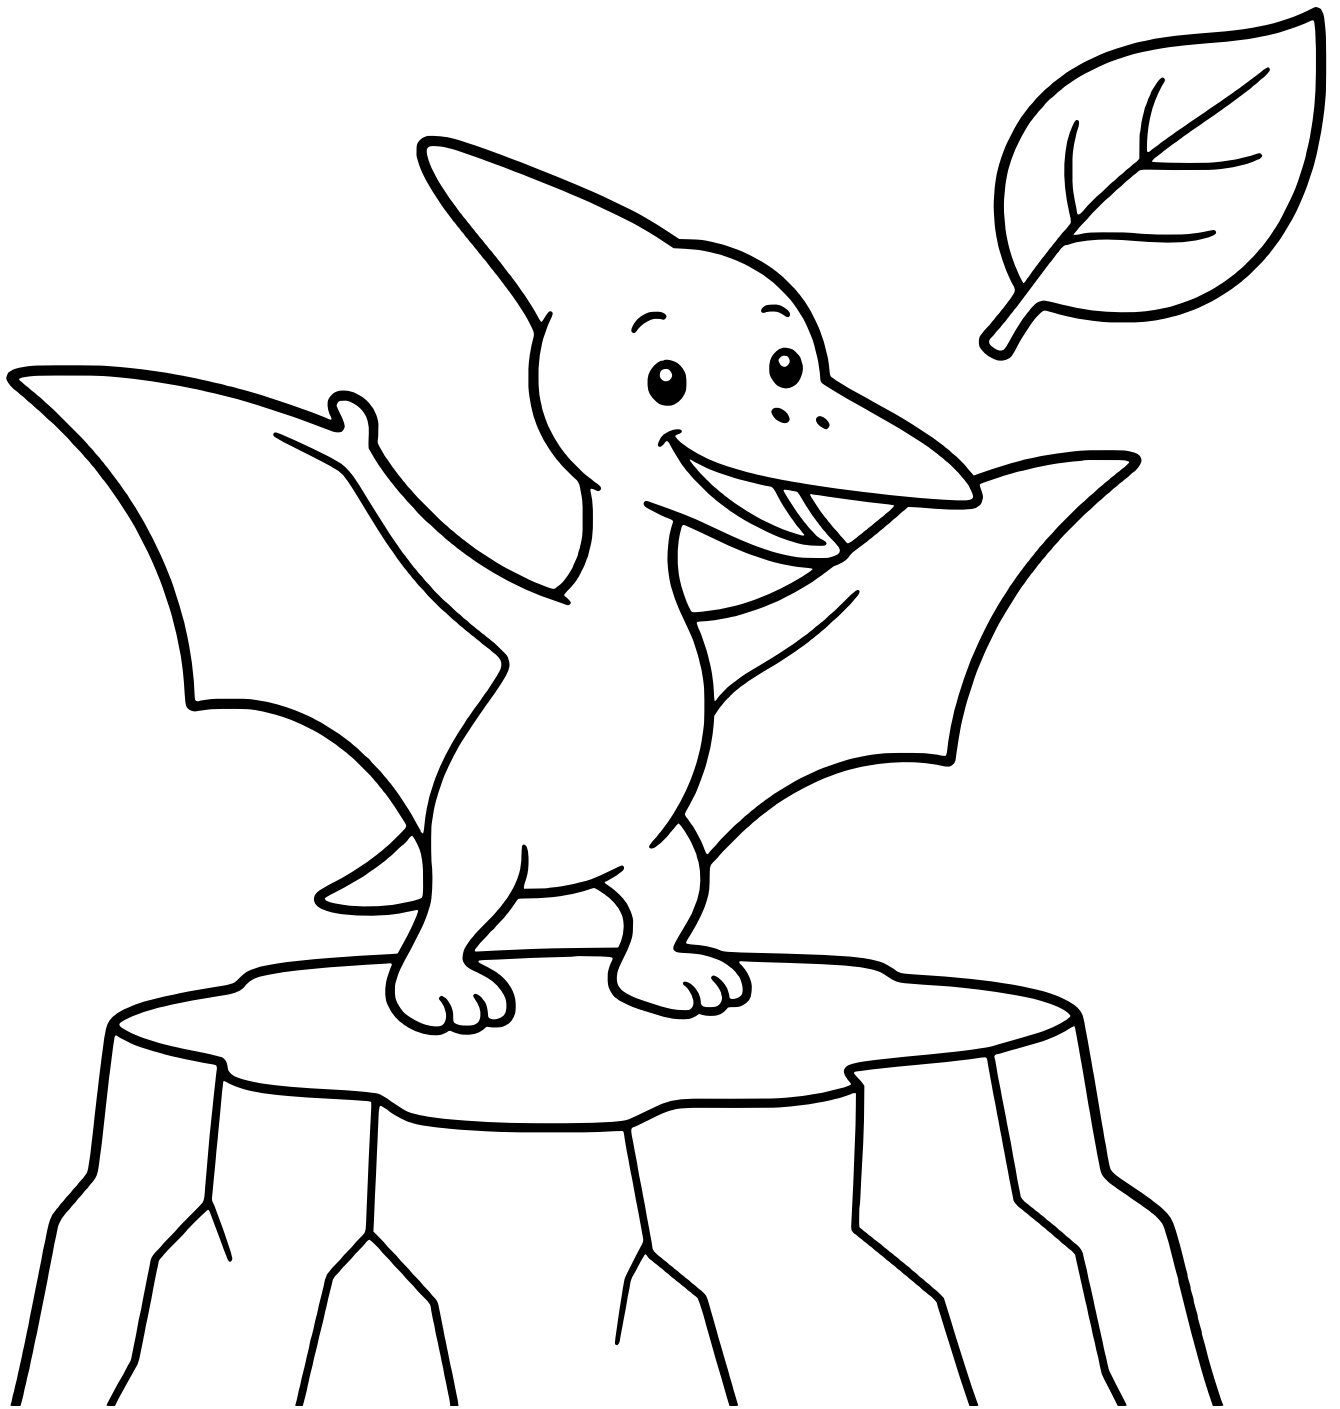

Here is the tall, tall cliff. Terry feels very small.

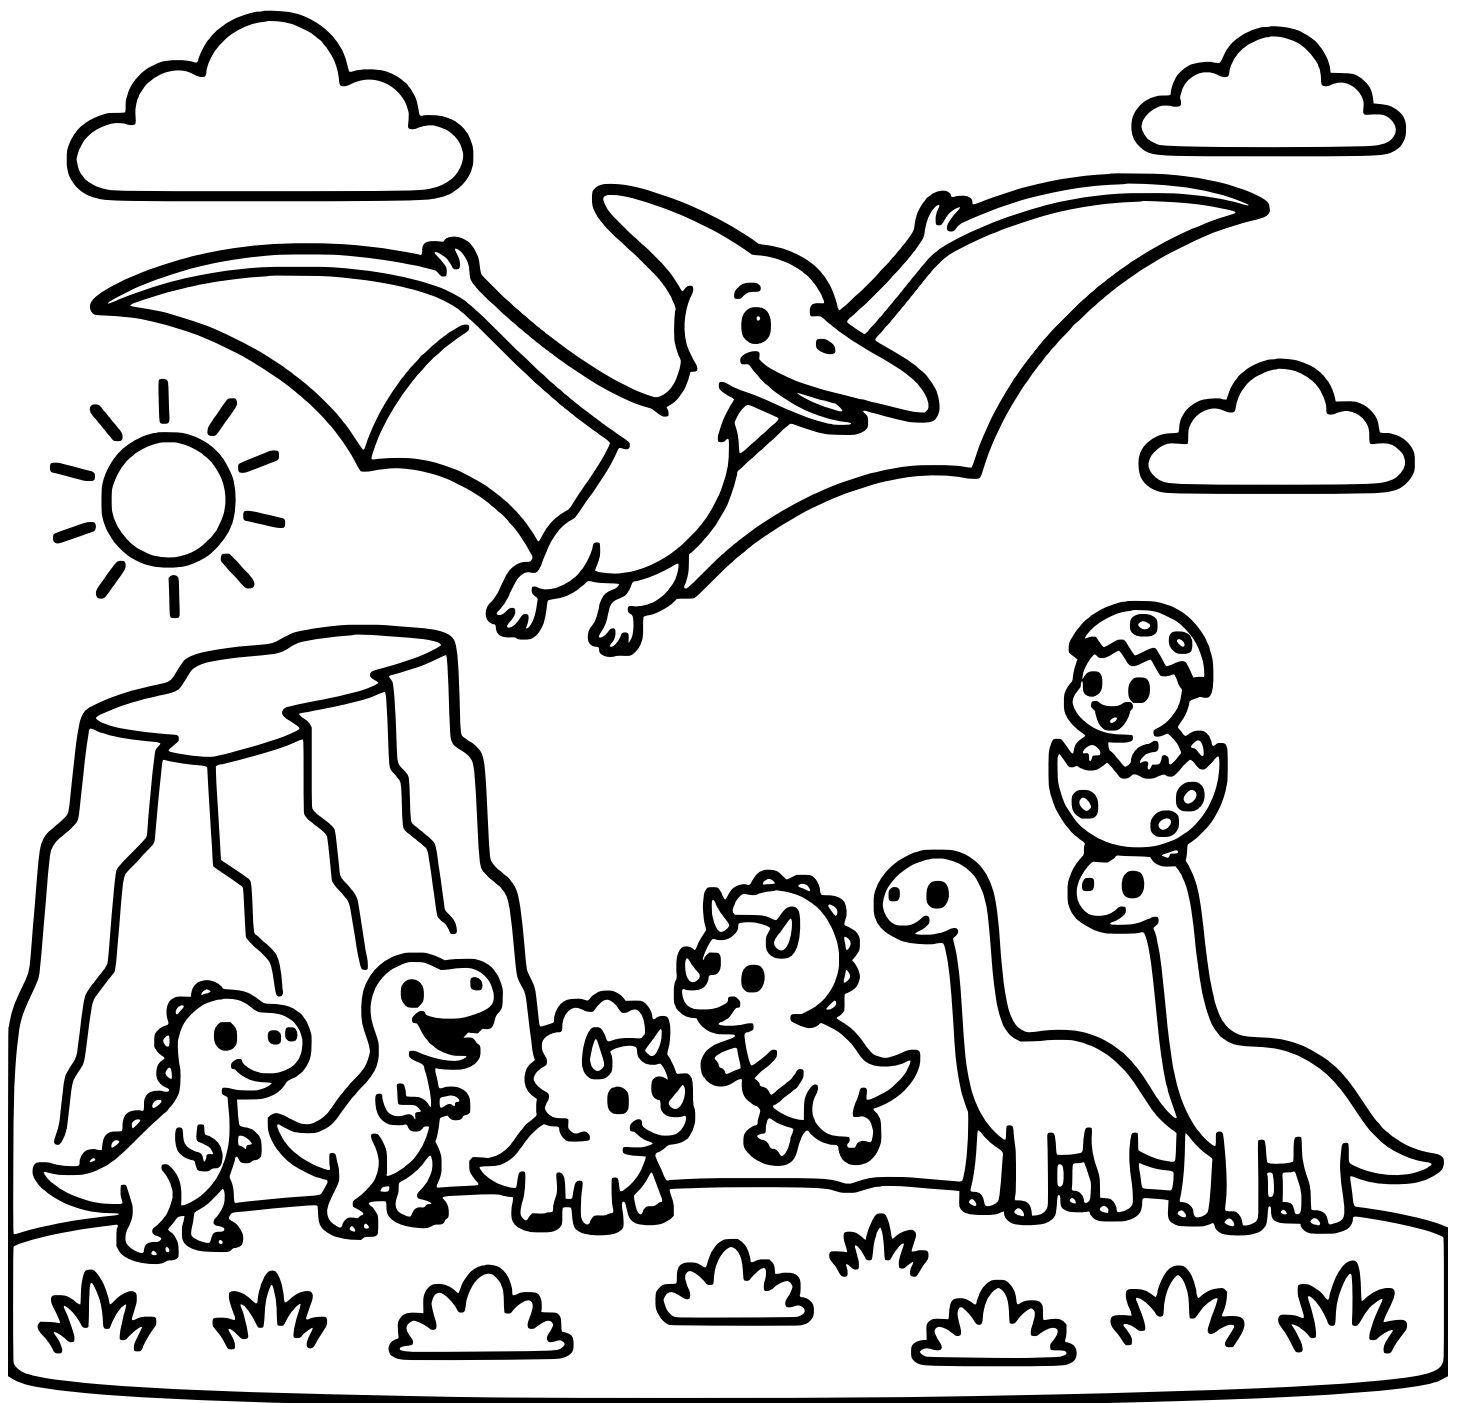

At the top, Rex stays close to Terry. What a view!

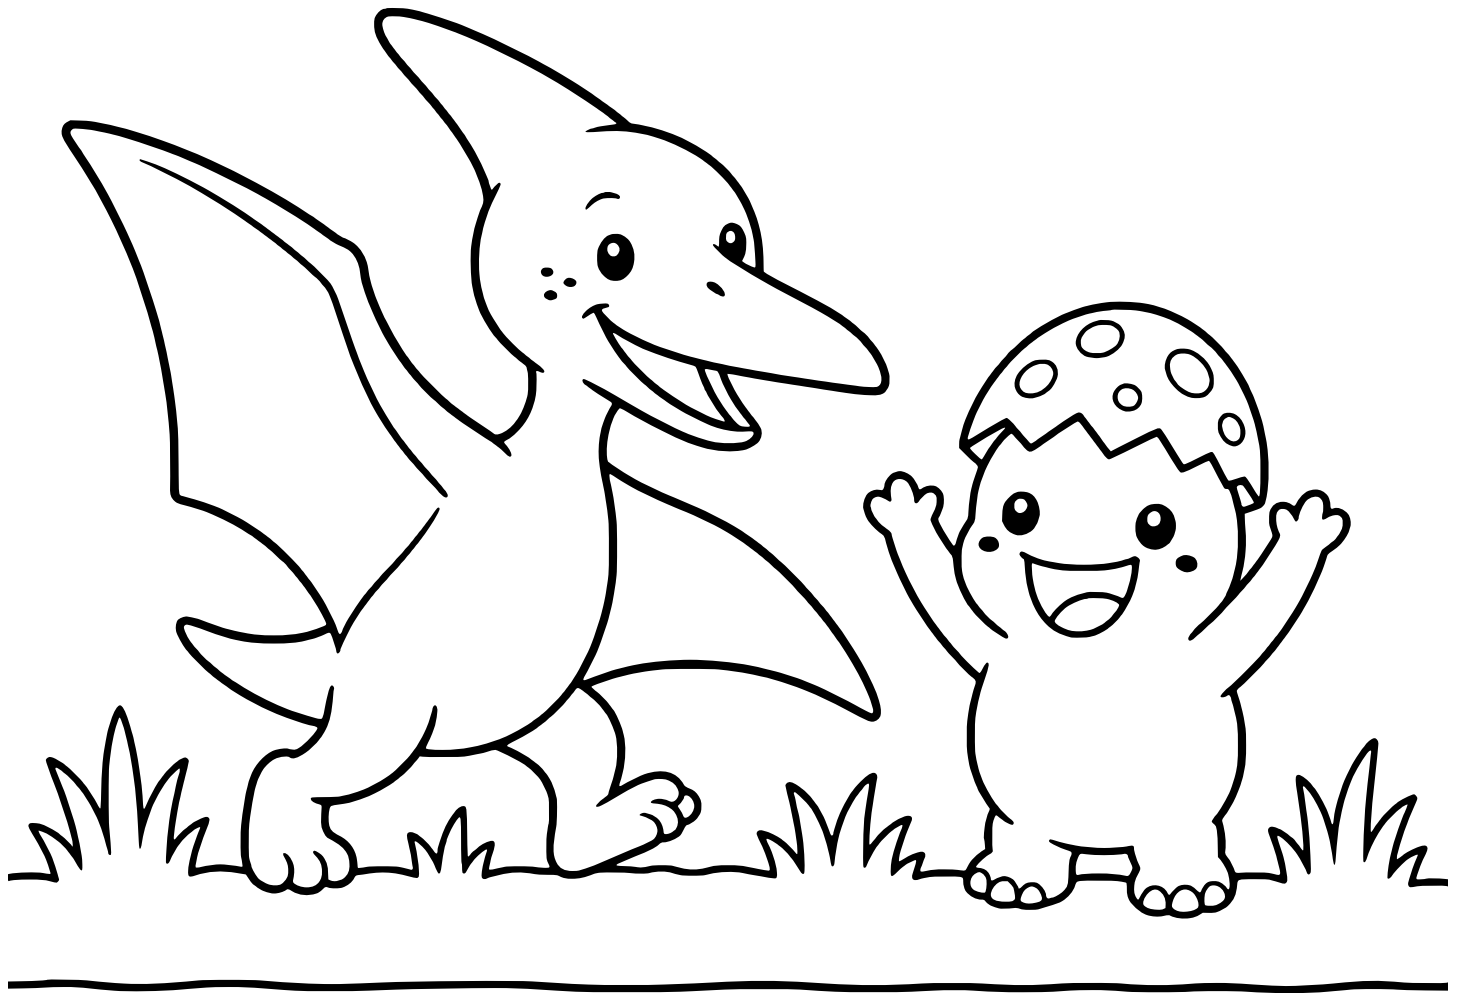

Terry stands at the edge. Shake, shake go his wings. Not today!

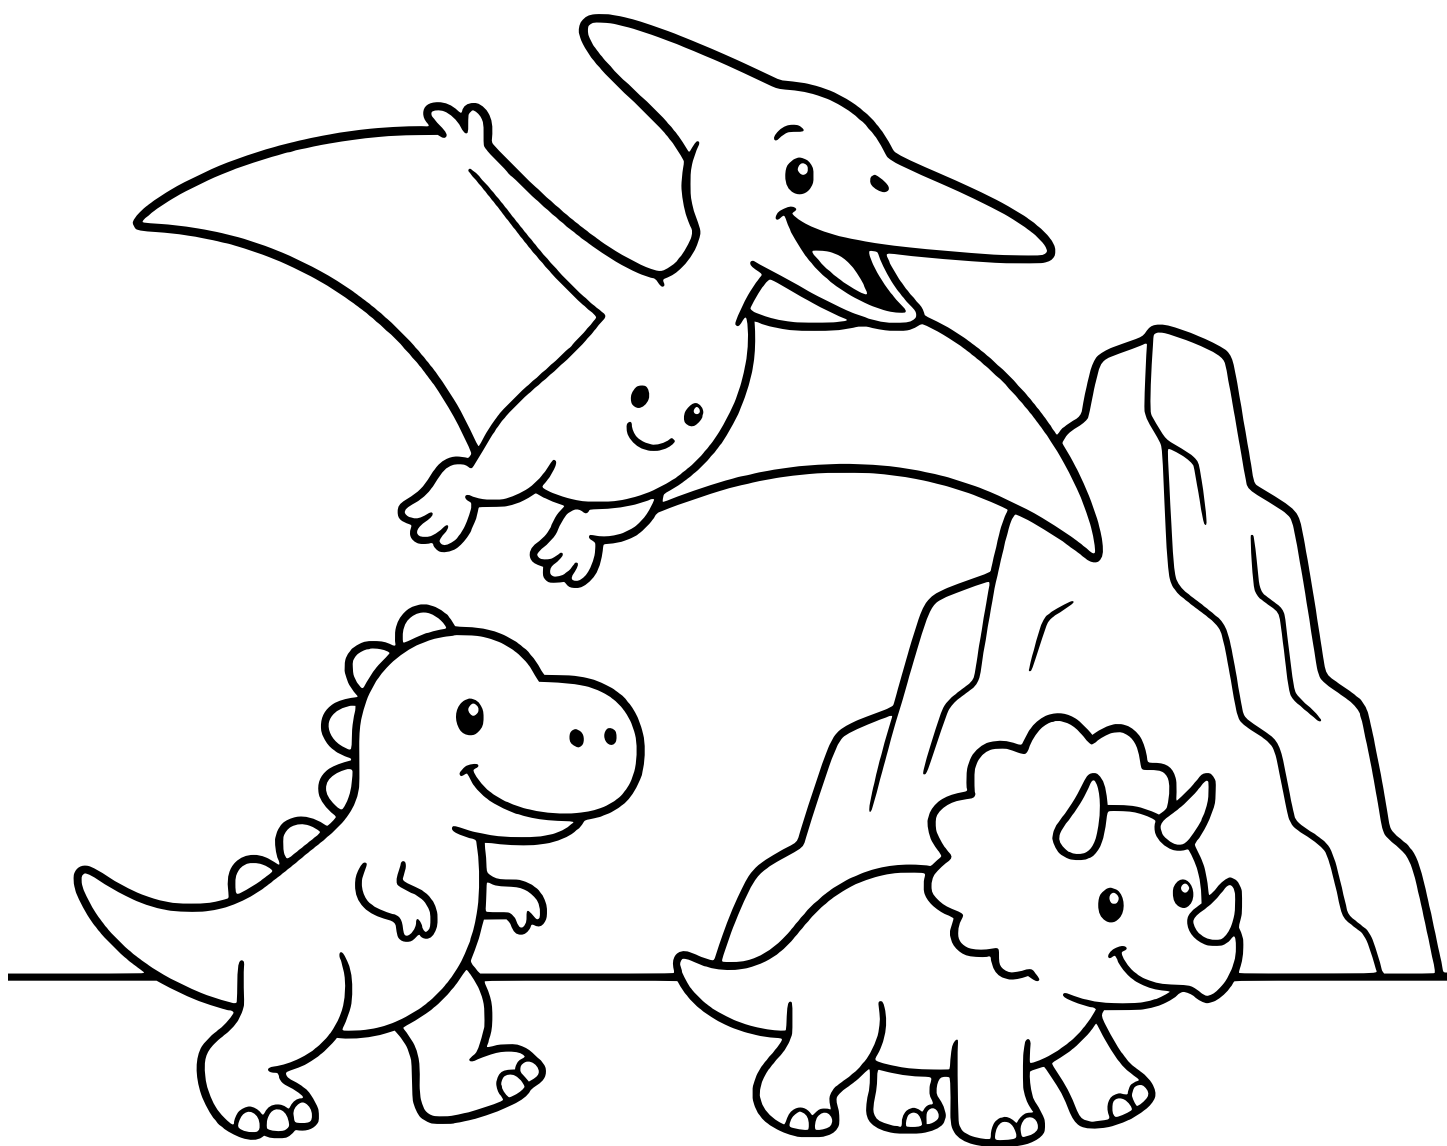

A leaf floats by, soft and slow. Terry has an idea!

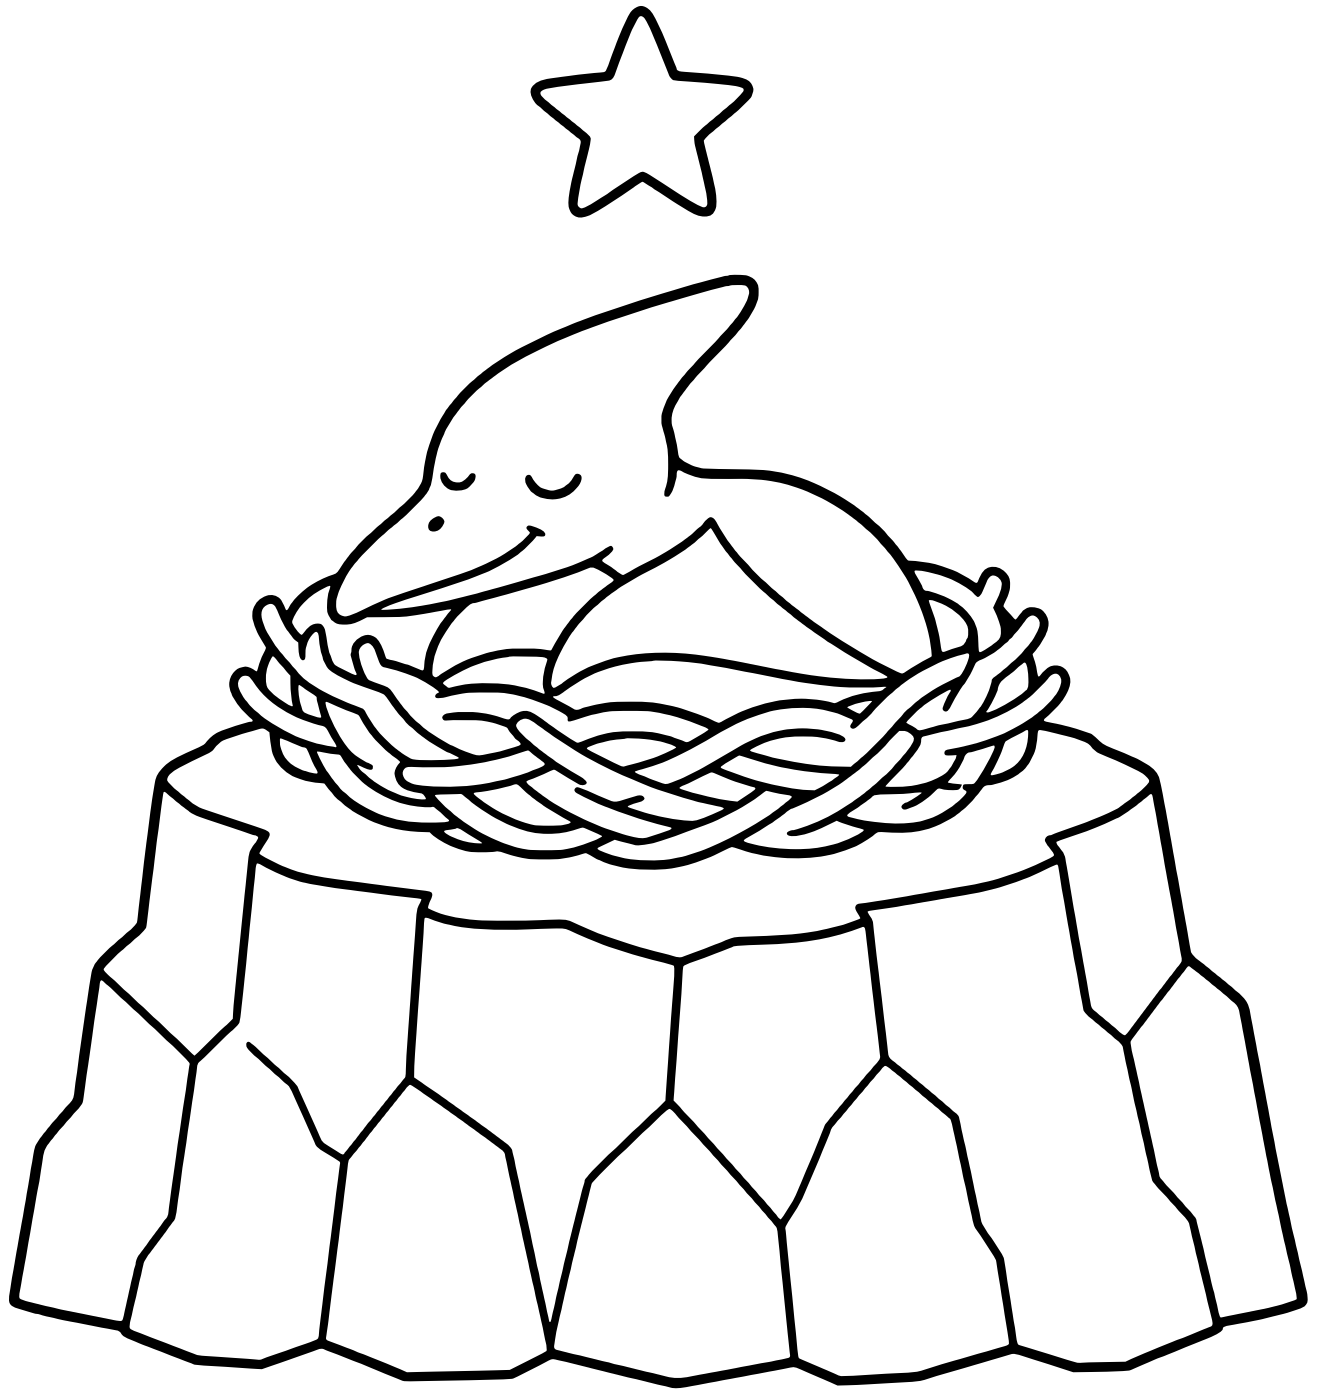

Whoosh! Terry glides high across the sky. His friends cheer below!

Terry lands right next to Pebble. Hooray! Up
go her arms!

Rex and Dot run along as Terry glides low.
One more time!

Now the tall cliff is Terry's favorite place.
Goodnight, Terry.
